General Rules

- A team gets 3 points for a win, and 1 for a draw.
- If the game ends in a draw and a decision is needed, 5 min of extended time is added. If it is still a draw, a penalty shootout decides.
- There are 37 teams, divided into 8 groups: B1...B8.
- The winner of the B tournament will be number 8 in the overall ranking (A and B combined).
- All games are 2 * 12 min except for the games in groups of 5, which are 2 * 9 min.

Preliminary Round

- If, at the end, two teams have the same number of points, a direct comparison decides. If that was a draw, a penalty shootout decides.
- If three or more teams have the same number of points, only the goal difference between these games is counted.
